☐ CERCLA Enforcement ☐ Other

☐ CAA

☐ NPDES

☐ Federal Facility

SEND SSSR COPIES TO:

☐ 6SF-AC

☐ 6WQ-SP

☐ ATSDR

☐ State Agency ☐ Tribal Agency

DISCUSSION:

The New Mexico Environment Department has requested that the Eberline Instruments Corp. site be taken off the archive list and put into the active CERCLIS list. The site was previously evaluated in 1995, and now warrants re-assessment due to population growth and changing conditions near the site. It is recommended that the site be removed from the archive list and put into the active CERCLIS list for further evaluation by NMED.
